## Experience

---

### Skateland Savoy — Skate Instructor, Technician, Floor Guard, Laser Tag Operator and Skate Counter

May 2021 - PRESENT

I engage and communicate with customers to ensure they are pleased and following the safety protocol as well as instruct and demonstrate how to skate. I also repair and refill arcade games to make sure they are operational for customers.

### Friendship Lutheran Church of Joy — Audio/Video Director

2018 - PRESENT

In preparation of events/services I preform sound checks and equipment tests to ensure that the audio and video is operating in the proper manner. During an event or service, I manipulate different sound levels and operate multiple cameras while simultaneously managing the team.

## Education

---

### Urbana High School — Senior

2019 - PRESENT

I manage my school work all while maintaining a job.

### Youth Leadership Program

2019

I learned how to lead a team of people and actively engaged with speakers from the U of I police department and U of I football coaching staff. At the end of the week-long program, I presented what I learned and how I will incorporate the skills to help me succeed.

## Skills

---

Persistent  
Team Player  
Inquisitive  
Benevolent  
Innovative

## Awards

---

The only person out of over 400 students to receive student of the month 2 consecutive months in addition to student of the week.

I finished the 7th grade with academic excellence awards.

I completed 8th grade with outstanding academic excellence. While receiving an outstanding citizenship award.

## Languages

---

English

## Accomplishments

---

### **Audio/Video Grant — \$18,000 grant**

2020

I assisted in secure a \$18,000 grant to upgrade video equipment.

### **Audio/Video Grant — \$5,000 grant**

2021

I single-handily carefully researched, assembled, and presented \$5,000 of new equipment to improve productivity and to reduce errors to have a fluid viewer experience.

### **Reorganized — Increase productivity**

2022

*Using 3D designing software* I redesigned the layout of the media booth to increase productivity and decrease *complexity*.

### **Junior Instructor — Self Defense**

2015

At the age of 10 I became a junior instructor to assist with helping students with doing the proper motions.

### **Student Council— District 116**

2015 - PRESENT

I was elected to student council in the 5th grade and continued through high school to the student senate.
